

COMP314 Homework Revision Cover Sheet

Name: _____

Homework assignment (A, B, ...): _____

My original score was _____ out of _____

My new score is _____ (add 50% of points lost on the questions you revised).

I certify that for each question I revised: (i) I first consulted the solutions and any other necessary resources until I fully understood how to reconstruct the solution on my own; (ii) then, I rewrote my solution to the question using only the information in my brain, and without consulting any notes or other resources.

I also certify that I am submitting this revision within two weeks of receiving the graded assignment.

My original assignment and the revised version are attached to this cover sheet.
