

SCIE300 Reading Assignment 7 (RA7)

70 points

Question 1 (20 points)

List a few places, locations, or geographical features in *Waterland* that are real, and a few that are fictional. Give brief descriptions.

Question 2 (30 points)

One of the major themes in *Waterland* is the impact of humans on the East Anglian landscape and environment. Write approximately 250 words describing some of these impacts, giving specific references to *Waterland*, with page numbers.

Question 3 (20 points)

Waterland examines the idea of “history” from many different angles. Briefly describe a few of these ideas about history, in about 150 words.
