

COMP314 Homework Revision Cover Sheet

Name: _____

Homework assignment (A, B, ...): _____

My original score was _____ out of _____

My new score is _____ (add 50% of points lost on the questions you revised).

I certify that for each question I revised: (i) I first consulted the solutions and any other necessary resources until I fully understood how to reconstruct the solution on my own; (ii) then, I rewrote my solution to the question using only the information in my brain, and without consulting any notes or other resources.

I also certify that I am submitting this revision within two weeks of the date on which the graded assignment was first returned to students.

My original assignment and the revised version are attached to this cover sheet.
